

# East Cheshire Hospice Lottery Newsletter

Winter 2009

## Welcome to our 1st Lottery Newsletter

The East Cheshire Hospice Lottery was established 14 years ago and, over the years, has gone from strength to strength. With over 7,800 members playing each week, it provides a much needed, regular and reliable income for the hospice. Earlier this year, the total raised reached £2million. This was a fantastic milestone for the Lottery and a big thank you goes out to all of our members, some of whom have been with us since 1995.

## Lottery support from staff

Our Lottery is drawn externally. This means that our staff can play too. Dr Trevor Rimmer, Medical Director, has been a Lottery member for 7 years and says, "I know how important the work is that we do here, each and every day I am able to see the comfort and support that the hospice brings to our patients and their families, practically and emotionally. The Lottery is a fun and easy way of supporting the hospice. I would encourage everyone to do it."

## Introducing Charlie, the new East Cheshire Hospice "Caring Bear"

Charlie can be yours completely FREE of charge if you sign up to the Lottery for 52 weeks paying either by cheque or standing order.

## Thank you to our collectors

Amongst the people who give the most support to the running of the Lottery are our cash collectors. These wonderful people go out in all weathers for the sake of our hospice. Some of them have been with us for many years, all of them are truly wonderful and without them 1,000 people would not be able to support the hospice or be in with a chance of winning the £2,000 weekly jackpot.
